This 'OM to the JEWEL' Interspiritual Chants Booklet has been compiled in loving service by friends, Jamal Rahman, Karen Lindquist, Faren Bachelis, and Linda Jo Pym. 'OM to the JEWEL' Interspiritual Chants were originally offered as part of our 'Circle of Love', interfaith home worship gatherings beginning in 1993. Since that time, our interspiritual practices have broadened into many faith and spiritual communities. Our outreach activities have included supporting a village school for women and boy's orphanage in Bangladesh, the founding of Interfaith Community Church (www.interfaithcommunitychurch.org), a United Religions Cooperation Circle (www.uri.org), Unity Project Seattle, and more...
